How did you learn about NJAMHAA?

We can have your application for membership reviewed for approval once we receive your completed application. If you are joining within the first six months of the fiscal year, the dues amount for the full year is \$4,737. For new members joining more than halfway into the fiscal year, the initial dues invoice will be for the amount that covers the remaining months of that fiscal year plus the entire following fiscal year. Thereafter, the member will be billed annually in the beginning of each fiscal year at the current annual dues rate.
